## Description:

**HUMANITY PUSHES BACK!**The Survey Corps develop a risky gambit – have Eren in Titan form attempt to repair Wall Rose, reclaiming human territory from the monsters for the first time in a century. But Titan-Eren’s self-control is far from perfect, and when he goes on a rampage, not even Armin can stop him! With the survival of humanity on his massive shoulders, will Eren be able to return to his senses, or will he lose himself forever?The megahit Attack on Titan anime finally returns, streaming on April 1!

We finally have the development of many of the supporting characters as well as the development of the training, but the flashback is at a strange point that is actually a bit confusing in terms of the narrative thrust. Levi being introduced is felt in a profound way. One thing that is really hit on though is that the characters are children and the armies are largely made of militarized teens in a way that doesn't even really make sense in the terms of the dystopia Hajime Isayama is developing. I will say that the figure design is limited where it is hard to tell characters apart, particularly male characters.
